2. I have probable cause to believe that on November 15 2009

Name/Description: Jetton, Rodney Allen (w/m)

DOB: [REDACTED] 1967

SSN: [REDACTED]

Home address of: P.O. Box 22

Circuit Clerk  
Scott County, MOCommitted the crime(s) of  
Assault 2<sup>nd</sup> a class C Felony (RSMO 565.060)

3. My probable cause is based on the following:  
On November 17, 2009 PSO Washburn received a report from [REDACTED] about an assault that occurred through the night of November 15, 2009 and into the morning of November 16, 2009. Ms. [REDACTED] reported that Mr. Jetton came to her residence around 2100 hours on November 15, 2009. Ms. [REDACTED] said that she and Mr. Jetton discussed having intercourse earlier that day over the phone. Ms. [REDACTED] said she and Mr. Jetton had never dated before and had never been in a relationship together. Mr. Jetton entered the residence at 132 Ralph with 2 bottles of wine. Mr. Jetton went into the kitchen and poured Ms. [REDACTED] a glass of wine. Ms. [REDACTED] said she did not see him pour the wine because she did not follow him into the kitchen, but he returned to the living room and handed her a glass of wine. Ms. [REDACTED] remembers watching a football game and said once she finished the glass of wine, she began "fading" in and out and remembered losing consciousness several times during the evening. Mr. Jetton and Mrs. [REDACTED] agreed on a safe word of "Green balloons" to use as a stop word during intercourse. Mrs. [REDACTED] recalls Mr. Jetton hitting her on the face very hard. Ms. [REDACTED] said she then remembers waking up; lying on the floor and Mr. Jetton was choking her. Ms. [REDACTED] then recalls waking up and Mr. Jetton was behind her having intercourse in the bedroom. Ms. [REDACTED] said she did not know what happened with her memory because she had been drunk before but had never had the blank spots in her memory. Ms. [REDACTED] said Mr. Jetton stayed the night with her and when he woke up he gave her a kiss and said, "You should have said green balloons." Mr. Jetton left Ms. [REDACTED]'s residence and had not returned. Ms. [REDACTED] remembers being very sore. PSO Washburn reported seeing bruises on the left side of Ms. [REDACTED]'s, outside of both thighs, and on Ms. [REDACTED]'s breast and just above it. Photographs of the bruises were taken. I also observed the bruises to Ms. [REDACTED] on November 18, 2009 and took more photographs on that day.
