8. Radio call to location of a reported accident, unknown if injury. Upon arrival, I contacted REED and LOTHMAN in the parking lot of the Car Toys store. Both REED and LOTHMAN informed me their vehicles were involved in the accident. REED indicated he was driving his vehicle, a white subaru (OR/055DPJ) westbound on N Hayden Island Dr. He indicated as he began turning right, using his blinker, into the parking lot of the Car Toys store, his vehicle was struck by another vehicle, on his vehicle's

passenger side. REED indicated the impact sent his car into LOTHMAN's parked car and the truck that struck his vehicle, continued in the parking lot and ultimately coming to a final resting place. REED also indicated that when the driver of the GMC truck got out of his vehicle, his zipper was down, but the driver also asked him if he was okay. REED indicated to me that he was okay, but his adrenaline was pumping at this time. He declined to have Fire come and check him out.

LOTHMAN, who identified himself as the owner of the parked Honda Accord (OR/WFP373), informed me he was not in his vehicle at the time of the accident. At this time I requested for REED and LOTHMAN to obtain their driver licenses and insurance cards. After speaking with REED and LOTHMAN, JOSLIN approached me and informed me that he witnessed the accident. Per JOSLIN, he was outside in the parking lot of the Car Toys store when the accident occurred. JOSLIN stated he observed REED's vehicle, with its blinker on, turning right, into the Car Toys parking lot. According to JOSLIN, the GMC truck struck REED's vehicle, passenger side, causing the vehicles to collide with the parked Honda Accord. JOSLIN then made the statement the GMC tires had been spinning at one point. He then stated "I think that guy might be drunk". JOSLIN gave no follow up statements and provided me with his driver license when requested.

When asked about the other vehicle involved in the accident, REED pointed towards the direction of a white GMC truck (OR/ZHL291). I approached the driver of the GMC truck, who I later identified as ADAMS. When asked what happened, ADAMS informed me that he was driving westbound on N Hayden Island Dr, behind a Subaru. ADAMS stated he believed the Subaru was going to turn left, into Jantzen Beach and therefore, began to pass the Subaru on its right. ADAMS stated as the Subaru turned right, into the Car Toys parking lot, his vehicle struck the Subaru, passenger side. When requested, ADAMS obtained his driver license and insurance card. When asked, ADAMS informed me that he was okay and declined to have Fire check him out.

At this time, I contacted Sgt, Berry via phone, in which I informed him that Mayor ADAMS had been involved in an accident in his personal vehicle. Sgt. Berry informed me to follow policy and procedure (640.50) and to treat ADAMS the same way I would treat any other person involved in an accident.

I was able to obtain everyone's contact information and completed a traffic exchange form. I distributed the original forms and copies to all parties. Due to JOSLIN leaving the scene, I gave his copy to LOTHMAN.

After Sgt. Berry arrived on scene, I informed him of my observations.

While I was on scene of the accident (an hour and forty minutes), I had approximately six separate face to face contacts with ADAMS. With regards to ADAMS, I observed no signs of intoxication. I smelled no alcohol on his breath, heard no slurred speech when he spoke, no glossy eyes or flushed face and observed no staggering/clumsy movement from ADAMS. I was never told by any individual that they had smelled alcohol on ADAMS' breath. In addition, ADAMS spoke with several people on scene, including REED and did not appear to avoid interaction with others. At one point he even helped clean up the scene as he swept up debris that were in the parking lot.

Once ADAMS and LOTHMAN's vehicles were towed, I left the scene.
