Re: Complaint, 09-C&E-15

Dear Ms. Schamp:

On July 17, 2009, your office received documentation from the attorney representing my son, Sidney W. Leiken and the Friends of Sid Leiken committee..

At this point there is no further documentation that I can provide your office regarding this transaction. There was no written contract between my son and me. This poll was informational survey to understand how his constituents felt about an additional Gas Tax. Unfortunately this transaction was completed in cash. While I understand this is unusual we had not yet opened a business account under the P & G Marketing and Research name.

I regret that I did not file the appropriate paperwork to complete my Assumed Business Name. At this point, I am no longer interested in establishing a business or conducting polls for political PACs and will not be pursuing any further filing.

I apologize for the delay in responding to your requests for information; I was under the impression that if I had no further documentation, no response was required.

Sincerely,

Glenda Leiken
