**K**ent died on December 28, 2009, from complications of injuries sustained in the line of duty as a Pierce County Sheriff's Deputy. He was born on November 28, 1965 in Killeen, Texas to Walter Kent Mundell, Sr. and Patricia Stafford.

Kent travelled the world growing up and settled in Puyallup, Washington, where he lived for the past 30 years. He met and married his high school sweetheart, Lisa Aiken, in 1986.

Kent lived life with passion. He had many hobbies that included a variety of water and snow sports, flying, golf, camping, surfing, kite-boarding, socializing at the gym and most recently, scuba diving. Those that met him knew of his zest for life. He had an outgoing, magnetic personality, and he was loved by everyone. His greatest loves were his wife Lisa, daughter Kirsten and son Austin.

For the past 10 years, Kent served the community as a Deputy Sheriff in the Mountain Detachment of Pierce County. He enjoyed his work and was loved by his community.

Kent is survived by his wife Lisa, daughter Kirsten, and son Austin of Puyallup, Washington; father Walter Kent Mundell Sr. of Belton, Texas; mother Patricia Stafford of Tacoma, Washington; sisters Dixie Smith and Erin Aiken Davis, grandmother Laverne Calloway and multiple uncles, aunts, nephews, nieces, cousins and friends.

The Mundell Family would like to extend their gratitude and appreciation to all the family, friends, and community for the love and support given during this time.
