Subject Horman case

Your Honor:

This confirms my discussion with you earlier this evening. After speaking with Mr. Bosworth and Ms. Rackner, I called you and informed you that, given the media coverage over the past long weekend, the Multnomah County Major Crimes Team could no longer stand by its assertion in my affidavit of July 2 that unsealing the sealed matters before you would undermine our on-going criminal investigation. I express no opinion on any position Terri Horman might have in the matter.

You told me of your intent to decide what further action was warranted after you reviewed the sealed documents when your court was open again on Thursday, July 8

Yours very truly,

Norman W. Frink

I, Laura E. Rackner, do hereby swear and depose the following:

1. I am the attorney for the Petitioner, Kaine Andrew Horman, in the above-entitled matter. I make this affidavit in support of the Ex Parte Motion and Order to Restrict Access to File.

2. Both litigants in this case have a high profile existence and family relations which garner media attention. Petitioner's non-joint child Kyron is a missing person, and his disappearance is the subject of an ongoing criminal investigation. The disclosure of information pertaining to the parties' family information and other matters involved in this proceeding will make the parties the target of further media and public scrutiny. The disclosure of this information will be detrimental to the Petitioner and his privacy rights, and could affect the interests and privacy rights of other family members. Information regarding

1 the parties' incomes and financial status will also be disclosed. This information is sensitive
2 and is not appropriate for public disclosure.

3 3. The information contained in the pleadings filed with the Court may be potentially
4 embarrassing for the parties or for family members. It is likely that if public access to this file
5 is allowed, this information will be disseminated in the media. This may be financially and
6 emotionally damaging to the parties. It could also be detrimental to the ongoing criminal
7 investigation involving the non-joint missing child. Good cause exists for entry of an Order
8 restricting access to this file.

9 4. The proposed order would allow the Court, the parties, their respective attorneys and
10 any governmental agency to have access to the file. Any other interested person could file a
11 motion with the court to be allowed access if there is a legitimate basis for needing the
12 information contained therein.

13 5. This is a private family matter that should not be disseminated by the press and there
14 is no public policy served by allowing public access to these records. Such access may be
15 embarrassing to the parties, damaging to the family, and disruptive to the Court proceedings.

16 6. I make this affidavit in support of the Motion to Restrict Access to Court file.

17 Dated this 20 day of June, 2010.
